In With The New.

The E-LOK 6-Series is perfect for a retrofit situation. It's wide plate can cover the standard 54mm hole, yet still host a sleek and compact design. The smartest choice when replacing an old leverset.

The 6-Series, comes in two stylish finishes of Black, or Silver, meaning it matches a range of different joinery.

The 6-Series uses the same E-LOK App as the 5,7,8 & 9 Series, hosting functions like Auto-Lock, Passage Mode, availability to view Unlock Records, set Passcodes, Cards, and more.
